Washington Sea Grant Offers Boat Engine Maintenance Course

Washington Sea Grant (WSG) and the Port of Seattle Fishermen's Terminal are co-sponsoring a four-evening Boat Engine Troubleshooting and Maintenance Workshop for commercial fishermen and recreational boaters.

Participants will learn how to troubleshoot problems in the fuel, electrical, cooling, exhaust and drive systems of diesel and gas inboards, stern drives and outboards (two-cycle and four-stroke).

The workshop is scheduled for Monday through Thursday evenings, March 9-12, 6-9 p.m. in the Nordby Conference Room, Nordby Building, at Fishermen's Terminal in Seattle. The fee is \$100. Space is limited, so pre-registration is advised.

To register or for more information, contact Sarah Fisken, WSG Continuing Education Coordinator, at (206) 543-1225 or sfisken@u.washington.edu.

Based at the University of Washington, Washington Sea Grant funds marine research and works with communities and businesses to manage and protect marine resources.
