

## Clock Hours Available

We are very pleased to announce that teachers can receive 17 clock hours for Thursday, Friday, and Saturday of the conference for an additional fee of \$39. Unfortunately, we do not pro-rate costs according to hours of attendance. These clock hours are through NW ESD 189 and one can pay via check or credit card upon arrival. Information will be set out on the registration table at Friday Harbor Middle School and we ask that checks be made payable to NW ESD 189. If paying by credit card, ALL information in the box provided MUST be completed. We ask that you sign in on the official class attendance sheet, initialing for each session that you attend. Clock hours cannot be authorized unless participant's signature appears on attendance sheet. At the end of the conference there will be a ScanTron evaluation form that we would ask you to fill out. We look forward to seeing you at the conference.
