

# 17<sup>TH</sup> CONFERENCE FOR SHELLFISH GROWERS

MARCH 2 - 3, 2009 • ALDERBROOK RESORT & SPA • UNION, WASHINGTON

First convened by Washington Sea Grant in 1991, the Conference for Shellfish Growers brings together representatives from the shellfish industry, government and academia. This year, the conference will focus on shellfish and marine vegetation issues and feature presentations on natural shellfish resources, culture and harvesting techniques. A special session will showcase Aquarius 2.0, the new version of the computer software used to evaluate closure rules for the shellfish industry by simulating a series of hypothetical scenarios for various changes within a growing area.

For the conference agenda, visit the Washington Sea Grant Web site, [www.wsg.washington.edu](http://www.wsg.washington.edu), after Jan. 30.

A block of rooms has been reserved at the Alderbrook Resort & Spa. The special rate of \$70.00 (plus tax) per night for single occupancy is being offered to participants who register by January 31, 2009. For hotel reservations, please call the hotel direct at 360.898.2145. Be sure to let the hotel operator know you will be attending the "Shellfish Growers Conference" to ensure the special room rate.
